- 6 Story Tower w/ Search Maze & Sprinkler Lab

ESEC has a seven-story training tower with an attached two story burn building for presenting repeatable structural firefighting in a variety of applications. The fire training building can be approached from three sides by fire apparatus and will facilitate life-rescue training with laddering, rope-rescue, search and maze. The burn building interior has four burn rooms and will facilitate above and below grade fire attack, as well as high rack storage and restaurant fire scenarios.
